*The Chapter body pictured with the new administration*

There was an atmosphere of joy and celebration as the members of the General Chapter gathered in the Chapter hall to prepare for the installation of the new General Administration. Bearing their lighted candles, the Sisters and past administration led Sister Dia Stasiuk, General Superior; Sister Lydia Anna Sawka, Vicar; and Councilors, Sister Mariela Rotzen, Sister Daniela Stefkova and Sister

Nazariya Mykhaylyuk into the Chapel for Vespers.

The installation took place before the singing of "O Joyful Light," during which Sister Miriam Claire, past General and her Council handed over the symbols of office to Sister Dia and her Council. Sister Miriam Claire offered words of support, fidelity and love to the incoming administration with an assurance of the prayers of all. No significant celebration in the Order is complete

without gifts and flowers, and these were lovingly presented to the newly-elected General Superior and her Council.

Since God chose to place the seal of approval on this joyful gathering with rain and thunder, the banquet which followed took place under the protection of the covered part of the courtyard rather than in the courtyard proper. Nonetheless, there was no dampening of spirits in the festivities.

## Glory to Jesus Christ!

Dear Friends,

We have cherished every ministry in which we have been privileged to serve throughout our history. We acknowledge that our ministries of Pilgrimage and caring for the elderly have had a special place in our hearts and have been a distinct focus of our collective attention since our beginning. We prudently evaluate and make improvements so that these ministries may continue to bring blessings and grace to all whose lives are touched by them.

These improvements can take many forms: from the basic equipment replacement projects, to interior renovations to full scale building construction. Often we have dreams that are beyond our means to accomplish, or involve risk that we could not prudently undertake. When we dream, we ask the Spirit of the Lord to move through our discernment so that the plans we make are reasonable, practical, and within our financial means to accomplish.

One of the projects currently consuming much of our time and attention is Mount Macrina Manor, our skilled nursing facility. The Manor is the only Catholic long term care facility in Fayette County and proudly boasts a fine reputation for its "Commitment to Care". Time has taken its toll particularly on the mechanical systems, as well as other areas in need of renovation and refurbishment. It is our sincere hope that with the prayer and assistance of our generous benefactors, we can accomplish these much needed renovations.

Another area of concern for us is the Pilgrim Houses, which were used for our annual Pilgrimage until a few years ago. We hope to upgrade the restroom facilities, replace the windows, and renovate the first floor. Our goal is to provide accommodations for the physically challenged during the Pilgrimage.

More information regarding these projects is included in this issue of In Touch.

Economic restrictions have severely limited the scope of both of these projects, but we are confident in our gracious and generous God and His protective Mother, who have blessed these ministries over the years and have never abandoned us in our need.

As always, we acknowledge that through your faithful and generous support we have been able to maintain the sacred and peaceful beauty of Mount St. Macrina. May the gentle breath of God's Spirit continue to move through your hearts.

Sincerely in the Lord Jesus,

*Sister Seraphim, O.S.B.M.*

# 79th Annual Pilgrimage in Honor of Our Lady of Perpetual Help

*Theotokos, Steadfast Foundation of Faith*

The weekend weather forecast was not promising, but Labor Day weekend turned out to be a lovely weather weekend for the 79th Annual Pilgrimage in Honor of Our Lady of Perpetual Help, August 31 & September 1.

Thousands of pilgrims came to the Mount for this annual and beautiful religious experience, which has become a long time family

tradition for so many faithful Byzantine Catholics.

In addition to pilgrims who came from Southwestern Pennsylvania, many came from far away places including California, Canada and Slovakia - just to name a few of the distant locations.

In addition to enjoying the beauty of Mount Saint Macrina, those who came to participate in the Pilgrimage experienced many beautiful services and

spiritual activities all focused on the theme: "Theotokos, Steadfast Foundation of Faith". Throughout the weekend, Pilgrims attended Divine Liturgies, candlelight processions, enrichment sessions and other inspiring services. There were also activities for children and teens, including the very popular Children's Procession on Sunday afternoon that was very well attended by so many children and their families.

Every year, pilgrims leave the Pilgrimage feeling refreshed in mind, body and spirit and look forward to their next visit to the Mount.

As Sister Seraphim Olsafsky, Provincial said, "Your presence lights up this mount,

and the shadow casts a peaceful glow over Mount St. Macrina throughout the year."

In 2014, the Sisters will celebrate the 80th Annual Pilgrimage. Please be sure to mark your calendar for August 30-31.

The Pilgrimage has been held each year following a decree issued by Pope Pius XI, March 25, 1935. Pope Pius XI gave the Sisters of St. Basil a beautiful Icon of Our Lady of Perpetual Help, requesting them to spread devotion to the Theotokos under that title.

## BASILIAN SISTERS CELEBRATE JUBILEES, ANNIVERSARIES

*Pictured above are Jubilarians (left to right) Sister Susan Harvey, Sister Margaret Ann Andrako, Sister Sylvia Burnett and Sister Barbara Jean Mihalchick.*

Sun., Aug. 4 was a day of gratitude and celebration for the Sisters of St. Basil at Mount St. Macrina in Uniontown, Pa.: gratitude for the four Sisters celebrating their Golden Jubilee of religious life and celebration of their combined 200 years of ministry in our Byzantine Catholic Metropolitan Church.

The Divine Liturgy of Thanksgiving was concelebrated by Very Rev. Archpriest John G. Petro and Very Rev. David Hannes. A host of family and friends joined the

community in honoring the four Jubilarians, Sister Margaret Ann Andrako, Sister Sylvia Burnett, Sister Susan Harvey and Sister Barbara Jean Mihalchick.

Mercy was the key word Father Petro focused on in his homily. It was a word that we kept hearing over and over from Pope Francis at the World Youth Day in Brazil. Mercy is another way of expressing God's loving kindness and compassion. In their lives as teachers, administrators, spiritual directors, religious education coordinators; in

whatever ministry they were engaged, God's mercy came to those to whom they ministered through their hands, their hearts, their words. All of us are called to do the same, to be vessels of mercy, pouring out God's love and compassion to all. In closing, Father John again borrowed from Pope Francis's advice: "Don't take yourself seriously; it's not about you; it's about Jesus." Father noted that the Jubilarians have taken the above quote to heart and lived it out over the span of these 50 years.

At the festive dinner following the Divine Liturgy, Sister Elaine Kisinko spoke admirably of the Jubilarians in the following tribute: Sister Margaret Ann, Sister Sylvia, Sister Susan and Sister Barbara Jean can be thought of as a quartet who in their dedicated lives of consecration to our Lord have brought the beautiful music of blessings in ways beyond measure and to people beyond counting. At times they were together, in the same place, sharing prayers, study, ministry and community. Other times saw them many miles apart, sometimes even in the circumstances of playing a solo part of the quartet. They have taught or been principals of many elementary schools in parishes of the Byzantine Catholic Metropolitan Province. The miles they traversed in both Europe and America would be a number envied by any frequent flier and would probably win a prize from the American Automobile Association.

From being unofficial nurse's aides at Maria Manor in Ebensburg, Pa. (where you learned while on the job!) while being students at Mt. Aloysius College, to pastoral and parish ministry, to the eparchial offices of Religious Education, to retreat work and spiritual

direction, to working in chanceries, directing Basilian Associates, serving in the administration in the

Province, in the Generalate of the Order and at the Byzantine Catholic Seminary, all the way to cemetery and bereavement ministry, it can be safely said that they have done it all. Moreover, they did it with all of the grace, generosity and capability befitting every Sister of St. Basil.

Our Jubilarians continue to play in the harmony and diversity of consecrated women – each one active, enthusiastic and committed to the ministry and people she serves. Fifty years used to be a long time mile marker – but not anymore as both Sr. Margaret Ann and Sr. Susan stand poised in the beginnings of new places and challenges. Sr. Sylvia continues to unravel the mysteries of broken marriages in her tribunal work, and Sr. Barbara Jean currently serves as director of programs at the House of Prayer at Mount St. Macrina as well as directing and speaking to both individuals and groups.

Sr. Margaret Ann's home parish is St. Eugene Church in Bedford, Ohio. Her ministry journey has taken her to parish schools, to Religious Education in the

Archeparchy and Passaic Eparchy, to organizational work in the Van Nuys (Phoenix) Eparchy, to director of the House of Prayer, Assistant Provincial and councilor, and past administrative assistant at Byzantine Catholic Seminary. Ohio. Sr. Margaret Ann has accepted a position as administrative assistant at Central Catholic High School in Pittsburgh, Pa. Sr. Margaret Ann holds a Masters Degree in Religious Studies from the University of Dayton in Dayton, Ohio.

Sr. Sylvia joined the Community from SS. Peter and Paul Church, Erie, Pa. Her ministry also took her to parish schools, then to retreat work and spiritual direction at Mount St. Macrina, the Jesuit Retreat Center in Clinton, Ohio and Ecclesia Center in Girard, Pa. She also worked on research, planning and development for the Community, served as motherhouse director, and councilor and director of grounds and facilities. Since 2007, Sr. Sylvia has served as an auditor in the tribunal of the Erie Diocese. Sr. Sylvia earned a Masters Degree in Christian Spirituality from Creighton University in Omaha, Nebr.

A vocation from St. John the Baptist Church in Avella, Pa., Sr. Susan devoted 29 years in the parochial elementary

schools around the Metropolia serving as teacher and principal. She taught at nearly every grade level from first through eighth. Following her years in the education apostolate, Sr. Susan went on to serve in Pastoral Ministry and as assistant director for the Office of Religious Education for the Parma Eparchy. Presently, Sr. Susan is on the staff of the newly-organized school at St. Gabriel's Parish in Las Vegas, Nev. Sr. Susan holds a Masters Degree in Education from the University of Dayton in Dayton, Ohio.

Sr. Barbara Jean entered the community from St. Nicholas Church, Roebling, N.J. Also beginning in ministry as a teacher, she moved on to retreat work and spiritual direction at the Retreat Center. In 1989, Sister Barbara Jean was elected to the position of Vicar General in the General Administration of

the Order in Rome, Italy. During this time, Sister traveled to all parts of the Order, especially working in formation with the young professed Sisters. At the same time, she carried out the duties of General Secretary for the Order. Sister Barbara Jean returned from Rome in 2001 and currently serves as director of programs for the House of Prayer at Mount St. Macrina. Sister Barbara Jean earned a Masters Degree in Christian Spirituality from Creighton University in Omaha, Nebraska.

Each Sister is in her own way remarkable and admirable, unique – yet united – grateful for all that has been and looking forward to serving Our Lord for many years. All present joined in heartily congratulating the Jubilarians and wishing them many more spiritually fruitful and happy years!

*On behalf of the Sisters of St. Basil, we wish you a blessed Thanksgiving and joyful Christmas season!*

## In Memoriam

### Sister Anastasia Charnichko, OSBM

*Enters into new life during Paschal Season*

*Sr. Anastasia Charnichko, OSBM*

On April 11, during one of the most beautiful times of the liturgical year, the Paschal season, Sister Anastasia (Julia) Charnichko peacefully gave her life back to the Risen Savior.

The daughter of the late Michael and Martha (Dobony) Charnichko, Sr. Anastasia was born in Georgetown, Pa. She entered the Sisters of St. Basil from St. John the Baptist Byzantine Catholic Church in Wilkes-Barre Township, Pa., on Mar. 28, 1946. Sr. Anastasia pronounced her First Vows on Feb. 12, 1948 and made her Perpetual Profession on Aug. 28, 1953 in the presence of the late Bishop Daniel Ivancho.

Sixty-seven of her 85 years of life were totally devoted to the service of the Lord in whatever work she was assigned to do. As a talented

and meticulous seamstress, most of Sr. Anastasia's years of service were spent in the Vestment Department at the monastery; in fact, this was her ministry for almost 30 years before she was admitted to Mt. Macrina Manor in April of 2009. The years previous to 1980 would find her alternatively assigned to supportive services at the Byzantine Catholic Seminary or the Archbishop's Residence in Pittsburgh and the Vestment Department in Uniontown. In the monastery, Sr. Anastasia is probably best known for her quiet and unassuming manner, her faithfulness to prayer and her love of her religious vocation. During her years at the Manor, she could be relied on for her compassion with and prayer for those who brought their concerns to her.

Sr. Anastasia was preceded in death by her parents, her sister Helen Kozup and her brothers Charles, Nicholas, Andrew, John, Michael, and George. In addition to her Sisters in community, she is survived by her devoted sisters Mary Pukatch and Elizabeth Popovich, and many nieces and nephews.

The Funeral Divine Liturgy was celebrated by Metropolitan Archbishop William C. Skurla on Tues., April 16. Interment followed in the Dormition Section of Mount Macrina Cemetery.

### Sister Ambrosia Homa, OSBM

*Enters into new life*

*Sr. Ambrosia Homa, OSBM*

Sister Ambrosia (Magdaline) Homa entered into eternal life very peacefully and quietly on the afternoon of July 9 at Mount Macrina Manor surrounded by the company and prayers of her Sisters in Christ. The daughter of the late George and Elizabeth (Curty) Homa, Sr. Ambrosia was born in Koritnan, Czechoslovakia. She entered the Sisters of St. Basil from St. Mary Byzantine Catholic Church in Mahwah, N.J. on July 22, 1943. Sr. Ambrosia pronounced her First Vows on Aug. 19, 1945 and made her Perpetual Profession on Aug. 19, 1951 in the presence of the late Rev. John Kocisko.

Sr. Ambrosia filled her ministries with enthusiastic and loving service of the Lord. As a young religious, Sister served in ministry at St. Nicholas Orphanage in

Elmhurst, Pa., where she served as Prefect of Children. Many years were spent assisting the Sisters on missions in Pennsylvania and Ohio and in the monastery in Uniontown. For 20 years Sr. Ambrosia helped with the care of the residents at St. Basil's Home for Aged Women. She also worked at the Byzantine Catholic Seminary in Pittsburgh. In her later years, she used her talents to assist in the Vestment Department at the monastery in Uniontown. In her eighties, Sister devoted much time and effort assisting and accompanying her brother Father Joseph Homa during the last years of his life spent at Mount Macrina Manor.

Sr. Ambrosia was preceded in death by her parents, her sisters Elizabeth Kuruc and Helen Pahule, and her brothers Rev. Joseph Homa, Michael Homa and George Homa. In addition to her Sisters in community, she is survived by her nephew Ernest Kuruc, her niece Margaret (Pegi) Homa, and her cousin Dr. Robin Lucas.

The Funeral Divine Liturgy was celebrated by Metropolitan Archbishop William C. Skurla on Fri., July 12. Entombment followed in the Resurrection Mausoleum of Mount St. Macrina Cemetery.

### Sister Celestine Petruska, OSBM

*Youthful, energetic spirit was the hallmark of her life*

Sr. Celestine Petruska, OSBM

Sister Celestine (Margaret) Petruska winged her way to the Lord on Sept. 10, 2013.

The daughter of the late Michael and Anna (Varhol) Petruska, Sr. Celestine was born in Lambertton, Pa. She entered the Sisters of St. Basil from St. John the Baptist Byzantine Catholic Church in Uniontown, Pa., on Jan. 26, 1947. She pronounced her First Vows on Dec. 9, 1948 and made her Perpetual Profession on Aug. 28, 1953 in the presence of the late Bishop Daniel Ivancho.

Starting out as many in the community did, Sister served as teacher and principal for a number of years; then as Novice Directress and as a member of the Renewal Team. She then served first

as Assistant Chancellor and then as Finance Officer in the Eparchy of Phoenix for 14 years. She was assigned to St. Therese parish, St. Petersburg, Fla. where she worked as pastoral assistant until her return to the monastery in February 2011.

Sr. Celestine enjoyed life to the fullest; she valued her religious vocation; she was faithful in all that was required of her as a Sister of St. Basil, and she shared her joy in life with her Sisters in community, her family and her friends. Never flagging in her interests, she took up violin lessons in the latter years of her life, and she was heard practicing on her violin the morning before she died in preparation for her violin lesson later in the day.

Sr. Celestine was preceded in death by her parents, her brothers Michael, Joseph, John, Steve and George; and her sisters Anna and Mary. In addition to her Sisters in community, she is survived by her brother William, her sister Dorothy Petruska Medvitz and many nieces and nephews and their families. ## Sister Margaret Ann Enters Ministry at Central Catholic High School

Brother Robert Schaefer, FSC &  
Sister Margaret Ann

Central Catholic High School, a boys' school numbering 867 students this year, is now Sr. Margaret Ann Andrako's place of ministry. It is located in the Oakland area of Pittsburgh, Pa. and staffed by

the Brothers of the Christian Schools, more commonly known as the Christian Brothers.

Sister Margaret Ann serves

as an administrative assistant to the principal and her responsibilities are many and varied. Some of her duties are: maintaining and updating databases for the school, students, and diocesan reports; completing diocesan forms on educational matters; retaining school usage calendar for the principal and night maintenance personnel; keeping an up-to-date listing of student data; serving as liaison for the Mothers Guild and preparing the Daily Bulletin for posting on the website. The "Bulletin" is a list of activities, meetings and

ventures of the students and faculty. The above are in addition to the everyday office tasks of answering the phone/door, receiving visitors, assisting in office correspondence, and ensuring that office machines are in good order.

"You can be sure that no two days are alike, but it is exciting and invigorating to be part of this prestigious and well-known high school in Pittsburgh", said Sr. Margaret Ann.

Visit the school's website at: [www.centralcatholichs.com](http://www.centralcatholichs.com).

## Mount Macrina Manor Planning Renovations

Macrina Manor has been working with an architect for the past year to develop a design plan that will enhance services offered to their residents. Since 1971, our Manor has been offering

compassionate care to long term rehabilitation residents. From a 54-bed facility, the Manor has expanded to offer services to 139 residents for whom the Manor is "home".

Since its inception, the Manor

has served the community well; however, the time has come to invest in a renovation plan. An increase in the demand for short term rehab services has caused the therapy department space to become inadequate. Private rooms are becoming a more frequent

expectation and are sometimes necessary for special treatment programs. A more homelike dining experience would provide our residents with more options for mealtimes. We would also like to enhance

the Chapel area and create a new entrance. Creating complications to the renovation vision, the original mechanical, electrical and plumbing systems all need to be replaced.

As we progress with the architects, we will be able to forecast costs associated with particular areas of the renovation. Potential donors will be able to create a lasting legacy by sponsoring a resident room or other area in honor or in memory of a loved one. As plans progress and the excitement builds, more information will be forthcoming.

## A New Mission: From the Vatican to Vegas

By Sr. Joanne Lickvar, OSBM

For the past six years I lived and worked in Rome, Italy. As the Vicar General of the Sisters of the Order of St. Basil the Great, I walked down the very same paths

and prayed in the very same places that St. Peter and many of the martyrs and saints walked so many years ago. It was an awe inspiring and humbling time of learning and renewal.

During these six years I visited many places where the saints lived – such as Assisi, the home of St. Francis; Cascia, the home of St. Rita; and Stefano Rotundo, home of Padre Pio. In addition to these, I also visited many holy places in Rome, including St. Prisca Church, the site where St. Peter baptised St. Prisca and her family; St. Clement Basilica, where St. Cyril is buried; Tre Fontane where St. Paul died and of course St. Peter's Basilica. The experience of this rich heritage gave me a new perspective of our Christian Faith and awareness that Rome is a city of martyrs.

I had many opportunities to witness the history of the past and to participate in the

making of current history. This included the resignation of Pope Benedict, the election of Pope Francis and the canonization of many saints.

Now, my new mission has sent me to Las Vegas, Nevada to teach second grade in Saint Gabriel Catholic School. Saint Gabriel opened last year with 17 students in grades K-3. This year there are 66 students in grades K-4 and growing.

Going from the Vatican to Las Vegas provides an opportunity to share these experiences with the students of the school. Sharing these experiences will be exciting and enriching for the students.

## Graduates of Mount St. Macrina Academy Hold Reunion

Sister Carol Petrasovich, OSBM, Director of Mount St. Macrina House of Prayer and a graduate of the Academy, hosted the bi-annual reunion that took place in Uniontown,

PA. Approximately fifty-seven alumni were in attendance. Participants traveled from the Midwest and the East Coast for the October 11-13 event.

The former "day hops" and "boarders" shared many hours of fond memories about their high school days at the Mount -- information about their advanced schooling, professional careers,

marriages, children and grandchildren. It was a time of rekindling the friendships started years ago.

The alumnae held a planning meeting in the former Academy building and had the opportunity to visit with some of the sisters who were their teachers. They participated in singing the Divine Liturgy for the intentions of the living and deceased students of the Academy.

Another highlight of the weekend was sitting around a glowing bonfire at the racetrack Saturday evening. Everyone really enjoyed singing favorite songs of the past.

The weekend closed with the singing of the beautiful alma mater song and joyous mutual commitments to attend the next reunion in 2015.
