Observe safety and security directives.

The Information Desk at House of Prayer or the First Aid Station are designated meeting areas in case of general emergency.

**ADULT CODE OF CONDUCT  
FOR PILGRIMAGE ATTENDANCE  
AT MOUNT ST. MACRINA**

Parents and/or designated guardians are responsible for the minors they have brought with them. Every minor must be accompanied by a parent or a designated guardian over 21 years of age. Please help to maintain a safe environment for all minors. Adults will use shower rooms early in the morning; minors later.

We Sisters of St. Basil presume that by your presence on these grounds you come here to participate in the spiritual program prepared to honor the Mother of God in a special manner during these days.

We further presume that by your presence here, you want to be a source of edification and good example to other pilgrims and that you will dress accordingly, and that your acts will be such that you will bear out our presumptions.

No illegal drugs, no weapons, no violent or abusive behavior. Do not provide minors with alcoholic beverages, tobacco, drugs or anything prohibited by law. **Security officers are on duty at the Mount 24 hours a day; to report problems, call 724-557-2955**

We presume that since your intention on entering these grounds is to make the Pilgrimage, you will be willing to correct your conduct or your dress if the Directors should find you wanting, and that failure to do so when properly requested will result in your being asked to leave this place of prayer and meditation. The judgment of the Directors in these matters is final.

The Information Desk at House of Prayer or the First Aid Station are designated meeting areas in case of general emergency. *Thank you for your cooperation.*
